Letters sent home this week: Athletics Competition, Yr 5: CSI Day at Kingsbury High School

Our Visions and Values

Across our academy schools we share a set of values that drive our everyday work with the children who attend our schools. Despite differences in the 'socio economic make up' of our schools, their different histories and the very different communities they serve, we all work to a common set of beliefs, expectations and standards. By doing so, we believe that children who attend any of our schools will achieve far more than they ever thought possible in an environment where they will flourish as individuals.

There are three type of achievement we strongly value:

Academic Achievement:

- All those working in our academy believe that every single child has the potential to achieve great things and that whatever a child's background, by teaching them to the best of our ability and through individualised support, they will achieve at an outstanding level.

- We believe that we should equip our children with a sense that almost anything is possible, based on a sense of their own well developed self-awareness and ambition for themselves and their community.

Celebrating Achievement:

- Our children achieve incredible things each day, not only at school, but also outside of our schools curriculum. We believe that our children 'should let their light shine' and that our responsibility is to ensure that each of them develops their own talents and interests.

- We believe that children should develop pride in their individual achievements and that we should work hard to recognise these achievements and celebrate them widely.

Relationship Achievement:

- We believe that our children will only achieve in learning environments where relationships are strong. High quality relationships and mutual respect between children and all other members of the community results in learning which is exciting, yet disciplined, and where the highest expectations are the norm.

Our staff share our academies values and vision. They understand their crucial role in the education of all of our children and how their own individual work has a direct influence on young peoples 'life chances'. They are also 'team players' who have a clear understanding of our schools wider priorities, yet also work together to improve their own practice and the outcomes for all of our children.

Acting Headteacher

Spot light on Excellence...

Manor Adventure

Last weekend I had the pleasure of taking pupils from Wood End, Dordon and Birchwood away to Manor Adventure in Shropshire for an activity weekend.

96 children shared the experience and it is one not to be forgotten anytime soon. This weekend provided the pupils with an opportunity to meet new people, forge new friendships and try new activities. The children embraced every moment and I could not be any more proud.

On numerous occasions over the course of the weekend, the Manor Adventure instructors commented on the impeccable behaviour of the pupils and they could not believe that they were from 3 different schools working in mixed school groups for the first time. The children supported one another as they tried activities like kayaking, abseiling and rifle shooting; many for the first time.

Thank you to all the staff who gave up their weekend to accompany the children. Without your support this trip could not happen. A selection of pictures from the weekend is in the News section of the website.

Mrs Cross

Stars of the week

Well done to all our stars this week!

Beech Class — **Charlie Demeda**— For super maths and always challenging himself.

Cedar Class — **Astan James Clarke**— For his making good choices and working in a team.

Oak Class — **Amelia Skelding** —For her excellent learning attitude when creating PowerPoints.

Pine Class — **Harry Banner**— For being a supportive peer during PE.

Willow Class — **Matthew Gleeson**— For settling in well in to Wood End.

FOWES

Summer fayre

Our next event is our summer fayre.

1-3:30pm 24th June 2017

We REALLY need your support and help so this event can go ahead. If you can help set up on the day and/or man a stall please get in touch. Lets make it the best one yet!

Red Nose Day

We have also received a certificate for raising £89.19 for Red Nose Day.

Thank you!

Tuck Shop:

Can you please bring small change to use at the tuck shop, and especially NO notes! We have limited change in school, so sending the correct amount of change with children each day would be a huge help for us!

Reporting absences

PLEASE report absences from school by 8.30am on the day of absence by telephoning the school and leaving a message on the answer phone. If we do not hear from you we need to PROTECT CHILDREN by calling parents to make sure that a child has not left home and then not appeared in school. Not adhering to this policy wastes valuable office time phoning up parents to find out why a child is missing from school

Academic Year 2016-2017

| | |
|-----------------------|----------------------|
| Summer Fayre 1-3.30pm | Saturday 24th June |
| Sports Day | Monday 3rd July |
| Reserve Sports day | Tuesday 4th July |
| Athletics Event | Wednesday 5th July |
| Year 5 CSI Day | Tuesday 11th July |
| Last Day of Term | Friday 21st July 1pm |

These dates may be subject to change if necessary.

Housepoints

Our housepoint winners this week with 284 housepoints are:

Baddesley House - Well done!!!

Doctors/Dentist appointments in school time

We prefer parents to avoid booking appointments during the school day because of children missing important work in school. However, we understand that this is sometimes unavoidable. We do however require an appointment card in order to be able to authorise appointments on official school registers.

VERY IMPORTANT

It is **essential** that the school has up-to-date contact details for parents. Of particular importance is the need for the school to have correct mobile phone numbers for all parents. We use the schools 'text message' service to alert parents of school closure, illness or 'strange danger' issues.

Polite Reminder: Parent Pay

Parents are reminded to regularly log onto Parent Pay and clear any monies owed. Payments for Lunch and Breakfast/After-school club must be made in advance. Trips, after-school activities, music lessons and swimming need to be paid by the dead-line. Failure to make timely payments may result in your child being excluded from these activities.

Financial help may be available for those parents finding it difficult to make the payments. In these circumstances please speak to the School Office who can arrange for you to discuss it with the Headteacher.

Collecting Children from School

Please ensure arrangements for collecting children are made **before** the start of the school day to avoid confusion and so that children are fully aware of who will be collecting them. Children in Reception must be dropped off and collected by a named adult.

Flower Festival

Beech class and stay and play both took part in the Wood end flower festival last weekend. On Monday Beech class went to visit the church to look at all the beautiful flower displays. We also followed a map around the village looking for landmarks on the way. If you managed to get to the church we hope you enjoyed it as much as we did!

Manor Adventure

Year 6 had a great time at the weekend, The teachers and students all enjoyed their weekend away to celebrate the end of primary and end of SATS. Everyone loved getting involved in all the activities and getting very messy in the process!
